Subd for perusal with a copy of the D.O. in question.
What the D.C. wants is perhaps a definite instruction as to whether kitchens should be opened or not. The R.C's reply defines "famine kitchens" more or less and it is not known how it is a proper reply to the D.C's query. Moreover a famine kitchen is described as a place where all that come are fed irrespective of their ability to earn their livelihood.

Sir,

Referring to your D.O. letter No.78 of 21-7 dated 13th September 1924 on the subject noted above, I have the honour to state that Government deems it regular for the Intelligence Officer all that can be spared and that what is within the local officer's discretion is to be restricted to rations cooked food to those on gratuitous list only.

I have the honour to be,
Sir,
Your most obedient servant,

=====

In your docket No.D.5/24-25 dated yesterday received just now, I am asked to arrange for opening kitchens if essential similar to that started at Kodagadala. But according to the instructions contained in Government Order dated 13th instant on the proposals submitted by you no kitchens are said to be necessary. I have already sent a copy of this order to the Amildar and the Sub Division Officer,Maddagiri for information and guidance. I therefore request the favour of definite instructions by wire regarding kitchens.

I am also in receipt of your D.O. of the 15th instant calling for a report on various points in connection with Distress. Necessary proposals will be submitted on the same in due course.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE. No. SEP 22 1924

To

K. Chandy, Esquire, B.A.,

22/9/24 Revenue Commissioner in Mysore,

BANGALORE.

Sir,

In Continuation of my letter No. O.C. 1840/22-23 dated 11th September 1924 re: the several requirements of of this District, in connection with the relief of Distress, I have the Honor to state that the Sub Division officer, Maddagiri reports that there are already as many as 1,000 people in the Maddagiri Taluq alone on the list of gratuitous relief. The kitchen started at Kodagadala is reported to cost about ~~Rs~~ 400/. a month. The grant of gratuitous relief is also being continued in the Taluks of Pavagada, Korategere and Gubbi. The total allotment granted to this District, viz.- Rs 2200/. will not be sufficient to meet the demand, even till the end of the current month. As this relief has to be continued at least in the above 4 Taluks and also some stray cases in the other Taluks till the end of December 1924, the allotment of Rs 10,000/. already applied for in the above is very necessary and it may kindly be sanctioned early. I have called for detailed requirements as desired in your memo dated 15th September 1924.

I have the honor to be,

Sir,

Your most obedient Servant

For. Deputy Commissioner.
